The POGs = Our Game Plan as a Church

However, a biblical game plan is not enough, to be effective in 2015 each of us as individual members of “Team Tanglewood” must be plugged in and actively contributing to the execution of the game plan. **Convicting Q:** IF everybody else at TBF, were exactly like “me” in my attendance patterns, attitude, service, support, outreach, what would TBF “look like” on a typical Sunday? Wednesday? On Prom Night? On April 15?
