OCTOBER 2015

The Mission of TBF is to glorify God (Psalm 86:11-13; 115:1 and 1 Peter 2:12; 4:16) by actively participating in the ongoing fulfillment of the Great Commission (Matthew 28:19-20) as a body of believers (1 Cor 12:13; 1 John 5:1-5) who collectively/individually (Phil 1:27) serve our Savior, the Lord Jesus Christ (Rom 12:1-2) and one another (Phil 2:3-4) functioning as a spiritual Greenhouse (Eph 4:11-16) such that by our interactions together we are catalyzed to grow (Acts 2:42) and to reproduce (Acts 2:47) spiritually

Sharing Wednesday Services and Celebrating Puebla Mission Trip 2015

On September 30th, TBF and Primera Iglesia Bautista celebrated a WOW Wednesday together with the focus on the 2015 Puebla mission trip. After a fellowship dinner, Jean Schalit proceeded with a welcome and opening prayer and members of Primera Iglesia Bautista sang a duet. A game for everyone was led by Youth Pastor James Mitchell with a winner from each church. Members of this year's mission team spoke about their personal experiences, what they learned, and the current status of the church in Puebla. Spiritual Simplicity-Doing Less, Loving More:

If you crave simplicity and yearn for peace and calm, this group study is for you. Through Biblical teaching and practical insights, Chip Ingram goes beyond quick fixes. This DVD study speaks to men and women who know what they need to do, want desperately to do it, but find it next to impossible to break free of the "too many good and important things" that flood their lives.

The thesis is shockingly simple: spiritual simplicity can only occur when we do less and love more. The time-tested Biblical principles explored in this study fly in the face of long checklists designed to decrease stress and increase productivity....it's not about rules, it is about a relationship with a Ruler, who is first our Savior, our Lord and our best Friend. It will help you experience a shift from complex to simple, from hurried to peaceful, from "never enough time" to "time enough for those you love." Lasting change is within your reach! Take the steps today to learn how to run the race of life at a different, more meaningful speed by focusing on what matters most.

Rest, Restore, Renew Refreshment for a Woman's Soul

.....
Have you ever had a pedicure? Come see how Christ can give us a spiritual pedicure. As with all pedicures, before you walk out the door with your new polish, there is a necessary time of cleansing, clipping, digging, and scraping. There is similar work you will be challenged to allow God to do in your life. Finally, Cheri helps encourage women to dream again of what their lives could be if they would take that next step out the door.

Healthy No-Bake Cookies (this was served at a Daniel Plan study)

1 c. natural peanut butter
3/4 c. honey
1/2 c. coconut oil (or butter if you prefer)
2 t. vanilla
2 1/4 c. gluten-free quick oats
6 T. cocoa powder

Note: You can use regular peanut butter – but of course, that will make your cookies reduced sugar rather than sugar free.

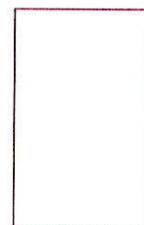

Combine first three ingredients in a sauce pan and warm gently on stove top. If you're using raw honey, you'll want to be careful to warm it only until the coconut oil melts and the peanut butter softens. No reason to heat the life out of your honey!

Next, add in the vanilla, oatmeal, and cocoa, and stir well.

Drop by the spoonful onto a saran lined plate and let cool. Store in an airtight container in the refrigerator – if they last that long.

Enjoy!
