For TBF to be its best each of the players on “Team Tanglewood” must plug into the life of our church above a casual level. In this 1st month of a new year, may we love our LORD and this Church such that we pre-decide to punt away the mindset of a “religious consumer” and as dedicated disciples of Christ commit to invest more of ourselves into the ministry of TBF serving God and others with our prayer, our passion and our perseverance...such that we offer up our time, talents and treasure as thanks offerings to our Savior and Lord.

If everybody else at TBF, were exactly like “me” in attendance patterns, attitude, service, support, outreach, what kind of shape would this church be in?
