

Psalm 73

What in the World is Going On?

So Often Good People Suffer and Bad People Prosper!

Psalm 73:1-14

Looking Around at Our World is Depressing

Thoughtful people who look at reality round them will be tempted to despair because (very often) life under the sun stinks!

Psalm 73:15-20

Looking Up/Beyond Our World is Refreshing

Thoughtful people informed by faith in God's Person/Program will be tempered realizing God has "out of this world" things planned for us.

Psalm 73:21-28

Looking at Life/Death in Faith Moves Us from Questioning God's Goodness to Confessing His Greatness

Thoughtful people who see the now in the light of eternity are enabled to maintain a "holy hangin' in there" in the face of the evils/inequities of life on Earth, knowing that while the now is real and important it is not ultimate and it is only temporary.
