Take This To Heart

What TBFers (Evangelical Christians) Need to Know About Jehovah's Witnesses and Mormons

1: The vast majority of them are "nice/moral people" who are sincere in their beliefs. They are not a physical danger to others.

2: Their two different (mutually exclusive) systems and the organizations to which they are devoted are biblically flawed, theologically/factually incorrect and spiritually toxic.

1 and 2: By denying the Trinity

...they are forced to deny the Deity of Jesus and thus teach a false concept of God/Jesus

3: By denying true guilt and inability

...they teach people can/must save themselves (the ultimate DIY project)

4: By denying the SAS/LBSR of Christ

...they blaspheme the very CORE of Christianity (1 Corinthians 15:3-4)

5: By denying salvation by grace though faith alone in Christ alone

...they reduce Jesus to a helper as opposed to the Savior

6: By making the 2nd Advent of Christ an exclusive affirmation of their Organizations...

...they theologically highjack the program of God for humanity

7: By claiming the Bible cannot be understood apart from their organization...

...they strip Scripture of its inherent authority and chain themselves to human leaders
