Three Faults of False Teachers

Believers and Local Churches Need to Know

Fault 1:

False Teachers Overrate Their Spiritual Authority v10-13a

They are way too impressed with their own abilities/power-based on personal charisma, intelligence, education and/or ordination.

Revering invisible, super-powerful angelic forces based on their personal powers/prerogatives is spiritual hubris to a maximum degree.

Fault 2:

False Teachers Overlook Their Spiritual Weaknesses v13b-16

They rationalize their own lust and greed to pursue illegitimate sexual and/or financial excess. Outward they play the part of dynamic spiritual

leaders but inwardly in their hearts they are spiritually rotten/self-absorbed.

Like Balaam in the Book of Numbers in the Old Testament they leverage their spiritual influence in order to gain great personal wealth/pleasure.

Fault 3:

False Teachers Oversell Their Spiritual Value v17b-22

They are shameless in their self-promotion-awed by their plans, programs and preferences...and blind to how finite/flawed and weak they actually are.

Like a dirty dog or a filthy pig they embrace a lifestyle that continually flaunts that which is good/right and pure.

Take This To Heart

Believers and Local Churches Should Know About the Faults of False Teachers

3: False Teachers Oversell Their Spiritual Value v17b-22

Because he was “Ruth-less!”

Now I’ve HERD everything!

Which of the 50 States is mentioned in the Bible?
