Tanglewood Bible Fellowship

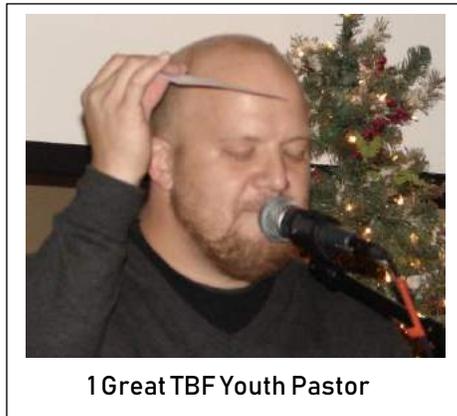

NOVEMBER 2018

The Mission of TBF is to glorify God (Psalm 86:11-13; 115:1 and 1 Peter 2:12; 4:16) by actively participating in the ongoing fulfillment of the Great Commission (Matthew 28:19-20) as a body of believers (1 Cor 12:13; 1 John 5:1-5) who collectively/individually (Phil 1:27) serve our Savior, the Lord Jesus Christ (Rom 12:1-2) and one another (Phil 2:3-4) functioning as a spiritual Greenhouse (Eph 4:11-16) such that by our interactions together we are catalyzed to grow (Acts 2:42) and to reproduce (Acts 2:47) spiritually

Stefani West - 580-656-3836.

For our Christmas Baskets ministry this year we are going to be supporting Christmas on the Farm.

Christmas on the Farm is a ministry that serves single parent families during the Christmas season. Each child receives two gifts and a coat. They also get photos taken with Santa, a meal, cookies to decorate and enjoy, and cupcakes. They will sing Christmas Carols, experience a Live Nativity, and hear the true story of Christmas read by Santa from the Bible.

Stefani West will keep us apprised about volunteering opportunities and post the gifts we will be donating.

Acronym for October:

Pilates with Nancy

2+ years and growing strong!

Nancy continues to instruct Pilates, inspire fun, laughs, leg cramps, and groaning in unison.

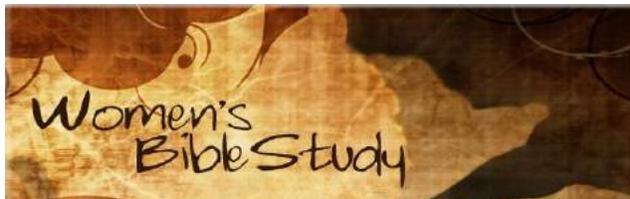

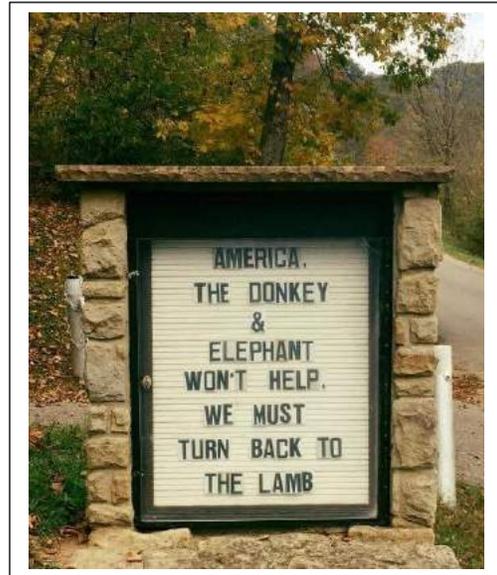

This class also continues to grow and we are up to 9 members, most of whom are NEW!

NOW is a great time to join and get your workout on BEFORE the holiday foods hits us in our pie hole.

The average person gains 7-10 pounds between Thanksgiving and Christmas! Yikes!

The truth...

Brad (and Debbie), here's a recipe and food ideas which may enhance your Thanksgiving holiday meal. Bon Appetit!

Cheetos Flavored Turkey

- Thawed, prepped turkey
- Full-size bag of Flamin' Hot or Original Cheetos
- **(Debbie, do not use Baked Cheetos!)**
- Oil or butter
- 1 teaspoon flour
- Reynolds Kitchens Turkey Oven Bag

Directions

Preheat oven to 350 degrees.

Place Cheetos in a food processor and process until fully crushed. You can also add to a zip top bag and roll with a rolling pin until sticks are completely crushed. Brush oil or butter on turkey and coat with the crushed Cheetos. Add 1 teaspoon of flour to the Reynolds Oven Bag and place in a large roasting pan that is at least 2 inches deep.

Carefully slide turkey into the oven bag, making sure the opening of the bag is facing the end of the roasting pan, and not facing up. The bag should be inside the pan, not hanging over the edges of the pan. Close oven bag with the included nylon tie, and cut six 1/2-inch slits in the top of the bag

When your turkey reaches an internal temperature of 185 degrees F in thickest part of the thigh, not touching the bone, remove from oven and let stand in oven bag for another 15 minutes. Cut open the top of the bag and carefully remove turkey from the bag, and place onto a cutting board. Lifting works well by inserting one carving fork into each end of the turkey.
